- Access - internal staircase from saloon
- Mounting positions for optional navigation dome / radar
- Spotlight remote control
- Bar fridge
- Glass & bottle storage locker
- Day head and wash room

Engineering

- Engines, primary – 2 x Caterpillar C32 1570MHP with power steering pump fitted
- Gears – ZF
- Acoustic Insulation
- Air conditioned all cabins 144,000 BTU reverse cycle
- Ball valves and skin fittings 316 stainless steel below water line
- Engineering bench with vice and tool box kit
- Bilge pumps 5 x 2000 gph and 1 x 1000 gph. Twin circuit including high water alarms
- Controls – single lever electronic
- Alloy diamond plate between engines
- Engine Instruments – Caterpillar electronic
- Engine bearers – moulded solid fibreglass

- Flexible engine mounts
- Engine exhaust risers and Aqua lift mufflers
- Engine room fire system
- Engine room air intake washable filters
- Engine room lighting
- Exhaust generator with separator to mid ships
- External strainers fitted to water intakes
- Fibreglass engine room liner
- Fresh water tap & hose set in engine room
- Fresh water pump with smart sensor
- Fresh water tanks – potable 422 US gal approx and water filter for galley
- Fresh water heater (AC only) – quick recovery 50L
- Fuel tank – (approx.) 2,500 US gal GRP with sight gauge and emergency shut off
- Grey water sanisplit x 2
- Toilet holding tank x 2 total 185 US gal approx
- Fuel filters – Double Racor 1000 filters, with change over facility, 1 set for each main engine. Generator fitted with Racor 500 filter
- Power steering filter
- Fuel lines – approved rubber. With stainless braiding where necessary. All fittings swaged
- Oil change lines - linked to manifold between engine and gearbox
- Steering – hydraulic power steering. Tiller system with emergency locking pins
- Shafts – 3.5" duplex stainless steel, double taper
- Shaft Seals – dripless
- Struts & rudders
- Underwater gear – built to CE requirements
- Propellers computer machined Nibral 5 blade
- Trim tabs – electric hydraulic
- Thruster – bow thruster electric with radio remote

Electrical

- Generator - 1 x 29kw / 110 volt Caterpillar generator fitted with sound shield, and 24 volt charging alternator linked to house battery system with charging changeover to engine batteries
- Batteries - 4 x 210 amp starting in two banks & 6 x 210 amp hour for house power & inverter power
- Inverter supplies power points to galley x 1, bathrooms x 1 each, galley fridge & freezer and engine room lights, TV's and stereos
- Inverter battery charging - inverter charger x 2 - 2kw – 60 amp charger, 1 x 24 volt Genset alternator

2 Year Warranty – 5 Year Structural

The specifications in this document are not complete or definitive & are subject to change without notice & therefore may not be current. Maritimo US will not be liable (in contract, tort or otherwise) for any loss resulting from the inaccuracy of any information contained in this document

RETAIL

- Battery Switching - normal running - dedicated engine batteries isolate each engine. Genset start off and charge house
- Paralleling switches link systems for starting and charging
- Bonding System - 1 x large anode. Tinned bonding wire to metalwork and heavy bonding between main engines and generator
- Earthing - ELCB switch fitted to GPO circuits. Polarity warning device on shore power
- Electrical panels - dedicated 24 volt panels
- Load sharing 110 volt panels
- Electrical wiring - tinned wiring where applicable coded and labelled. Wiring schematic supplied
- Navigation lights - international code compliant CE
- Solenoid pack for autopilot
